

Undergraduate Education

Rutgers University is ranked by Science Watch to be among the top universities in the United States for research in the plant and animal sciences.

Opportunities for students include scholarships and internship programs. Students also benefit from small class sizes and the integration of basic and applied science fields.

Training areas include:

- Horticulture
- Horticultural Therapy
- Plant Biotechnology
- Plant Protection
- Controlled Environment Agriculture
- Plant and Fungal Systematics
- Genetics and Plant Breeding
- Medicinal Botany
- Turf Science
- Agroecology

Students may also choose from the following options:

- Turf and Horticulture Industry
(Plant Science major)
- Plant Science Research
(Plant Science major)
- Plant Protection
(Plant Science major)
- Plant Science Teacher Preparation
(Plant Science major)
- Horticultural Therapy
(Plant Science major)
- Plant Science
(Plant Science major)
- Agroecology
(Agriculture Science major)
- Plant Biotechnology
(Biotechnology major)

Minor options include:

- Plant Science
- Agroecology

RUTGERS

School of Environmental
and Biological Sciences

Plant Science Undergraduate Program
School of Environmental and Biological Sciences
Rutgers, The State University of New Jersey
Foran Hall, 59 Dudley Rd, New Brunswick, NJ 08901-8520
Phone: 732.932.9375 ext. 240, Fax: 732.932.3844

Professional Certificate programs include:

- Horticultural Therapy Certificate
- Medicinal and Economy Botany

Career examples include:

- Plant Scientist
- Biology Teacher
- Turf Grass Professional
- Nursery Manager
- Horticultural Therapist
- Environmental Biologist
- Agriculturist
- Organic Farmer
- Golf Course Manager
- Plant Protection Professional
- Plant Breeder
- Pharmaceutical Scientist
- Plant and Fungal Systematics
- Genetics and Plant Breeding
- Medicinal Botany
- Turf Science
- Agroecology
